Adrien LE DEUNFF

Looking for 4-6 Months Internship starting in March | Associate Producer

www.ledeunffadrien.com | ledeunff.adrien@gmail.com | France

Producer who speaks developer. Six years in web development, then Game Management: three game projects led, two builds delivered to a jury, a Vertical Slice in progress. Agile, from sprint planning to retrospectives.

EDUCATION

Master's degree in Game and Interactive Media — CNAM-ENJMIN, Angoulême, France — 2025 - Present
Specialization in Game Management

Professional Web Degree — IUT of Lannion, Lannion, France — 2019 - 2020
Specialization in Web and Mobile Application Development

Technical University Diploma in Computer Science — IUT of Lannion, Lannion, France — 2016 - 2019
Software Design and Development

PROJECTS

HELL IS NOT ENOUGH — Producer — Oct. 2026 - Present
Managing a team of **10** over **6 months** to deliver a **Vertical Slice**, with a strong focus on **marketing**.

LE TEMPS DES CERISES — Producer — March 2026 - June 2026
Managed a core team of **8 (14 with external artists)** over **3 months**. Delivered a 15-minute **build** presented to a **jury**, with a themed stand and a historical exhibition introducing the game's subject.

EX(E)PERIMENT — Producer — March 2026 - June 2026
Managed a team of 6 over 3 months in 2-week **Agile** sprints (**planning, review, retrospectives, poker planning**). Delivered a 10-minute build presented to a jury, with an immersive stand and live acting for a horror experience between video game and interactive experience.

EXPERIENCE

FREELANCE — Full-Stack Web Developer — 2024 - 2025
Freelance work and preparation for the CNAM-ENJMIN entrance exam (**video game management**): 6 months of selection processes conducted simultaneously.

LR TECHNOLOGIES — Lead Web Developer — 2022 - 2024
Providing services to clients in the banking and transportation sectors, where I held various positions: from full-stack developer to **technical UX/UI manager** of a team of 6 people.

ASTEN — Programmer Analyst — 2020 - 2022
Design and development of web portals and web applications independently. User support, semi-agile project management with complete autonomy over web application design and client communication during the development and production phase

ASTEN — Work-Study Web Developer — 2018 - 2020
Study of technical solutions, integration of Liferay graphic themes, development of web applications

TOOLS

Jira, Excel, Figma, ClickUp, **Scrum**, CI/CD, Git, Trello, Confluence, Google Workspace, Miro, Slack, **Teams**, Discord

LANGUAGES

French : Native **English :** Good oral and written comprehension (**B2**)
